

Board Position Announcement
Development Team Leader

Volunteer Position Posting for:

P.O. Box 1065 Charlottesville, VA 22902 (434) 971-1553 www.wildvirginia.org

Wild Virginia's mission is to be a voice for the last wild ecosystems in Virginia's national forests. We want to permanently protect Roadless Areas, create & protect Special Biological Areas, and establish more Wilderness Areas in the George Washington National Forest. We work to prevent logging and development like the Atlantic Coast and Mountain Valley Pipelines in these areas.

The Development Team Leader will join the Wild Virginia Board to coordinate and develop a small team of Wild Virginia volunteers, staff and board to raise funds for Wild Virginia and its work.

The position is tasked with the lead role in managing our Development Team and will work with them to create a development plan. This is a leadership position. You do not need to have all the experience or answers but you do need to be comfortable organizing teams of people to generate ideas, set priorities, follow-up and get work done.

This person will work with our board members and staff to expand opportunities for fundraising which can include attracting and cultivating donors, increasing membership, exploring new grant funding, and holding fundraising events.

Skills that are valuable to be successful in this position are as follows:

- Passion for protecting wild forest ecosystems
- Experience with fundraising and development
- Well-organized
- Good communication skills and ability to manage small teams
- Patience and flexibility

The overall time commitment is small but it does involve being in close communication with our team of volunteers. Position likely requires a minimum of about 15 hours each month.

You will consult and work with the Wild Virginia Director, Conservation Director and the Board of Directors and be part of a great team.

You will be asked to attend the board meetings *every other* month. Meetings last about 2 hours.

If interested contact Wild Virginia (434) 971-1553 or info@wildvirginia.org.
