It's that time again! Wild Virginia is excited to announce that we will be hosting the 2017 Wild & Scenic Film Festival in Charlottesville, Harrisonburg and Staunton in early April. Last year, over 30 local business sponsors made the festival possible and we had a record turnout to our shows.

We invite you to be part of this important educational event by sponsoring the festival. To bring these award-winning environmental films and guest speakers to our community, we need local support from businesses like yours.

The Wild and Scenic Film Festival takes audiences to some of the most remote and beautiful places on the planet. It not only highlights environmental concerns but also provides solutions, reaching people through beautiful imagery—and inspiring local individuals to get involved in “Conserving the Wild and Scenic Places Close to Home.” Attendees are introduced to the unique features and wildlife of these special places and the courageous individuals who are working to protect and preserve both for future generations.

We offer several levels of sponsorship, and a list of benefits is enclosed.

Please return it no later than February 28th.

This will be our seventh year bringing his inspiring festival to central Virginia.

I hope you can join us!

Sincerely,

Misty A. Boos
Director
Wild Virginia

Event Description

The *Wild & Scenic Film Festival on Tour* brings together the best of Wild and Scenic films in two 90-minute programs. The films expose the audience to forward-thinking ideas and global awareness.

This is Wild Virginia's largest public outreach event. It helps us build membership, raise funds, and increase awareness of efforts to preserve and protect wild forest ecosystems in Virginia's National Forests. Your sponsorship will help keep individual tickets to the festival affordable at a cost of only \$10.

Who We Are

Wild Virginia is a grassroots non-profit organization dedicated to preserving wild forest ecosystems in Virginia's National Forests. Wild Virginia works to accomplish our mission through our Forest Watch program and by organizing people who care about forest protection to engage in public outreach, targeted advocacy, and conservation action.

What We Do

Wild Virginia is actively working to prevent destruction to Virginia's national forests. We are working to stop the Atlantic Coast Pipeline and to keep our precious drinking watersheds from being degraded for industrial profit. We do this through outreach, advocacy and by taking the public to the forests to see and experience both the beauty of our wild lands and the impacts to areas that have been destroyed.

Additional Information

For more information about the festival and the films, please visit www.wildandscenicfilmfestival.org. For more information about Wild Virginia and our work, please visit www.wildvirginia.org.
