We're excited to announce the Wild & Scenic Film Festival in Charlottesville, Harrisonburg and Staunton is coming up again this spring. Last year, over 40 local business sponsors made the festival possible and we had a record turnout to our shows. We even sold out completely in Charlottesville.

This year is going to be bigger and better than ever! We want you to be part of this important educational event by joining us as a sponsor. To bring these award winning films we need local support from businesses like yours.

The Wild and Scenic Film Festival takes audiences to some of the most remote and beautiful places on the planet. It not only highlights environmental concerns but also provides solutions, reaching people through beautiful imagery—and inspiring local individuals to get involved in “Conserving the Wild and Scenic Places Close to Home.” Attendees are introduced to the unique features and wildlife of these special places and the courageous individuals who are working to protect and preserve both for future generations.

We need you to act soon to be sure you get maximum exposure in all of the great advertising materials we're creating. We offer several levels of sponsorship, and a list of benefits is enclosed. **Please return this packet or fill out ([the online form](#)) no later than February 28th.**

We hope you can join us!

Sincerely,

Misty A. Boos
Director
Wild Virginia

Event Description

The *Wild & Scenic Film Festival on Tour* brings together the best of Wild and Scenic films in 90-minute programs in three cities over three nights. The films expose the audience to forward-thinking ideas and global awareness. This is Wild Virginia's largest public outreach event. It helps us build membership, raise funds, and increase awareness of efforts to preserve and protect wild forest ecosystems in Virginia.

Who We Are

Wild Virginia is a grassroots non-profit organization dedicated to preserving wild forest ecosystems in Virginia's National Forests. Wild Virginia works to accomplish our mission through our Forest Watch program and by organizing people who care about forest protection to engage in public outreach, targeted advocacy, and conservation action.

What We Do

Wild Virginia is actively working to prevent destruction to Virginia's national forests. We are working to stop the Atlantic Coast and Mountain Valley Pipelines and to keep our precious drinking watersheds from being degraded for industrial profit.
