Wild Virginia works to improve the overall connectivity of Virginia's wild lands and waters. Our current campaigns include:

- Protecting Virginia's water quality. This includes working closely with our partners to fight the Mountain Valley and Atlantic Coast fracked gas pipelines.
- Building coalitions to improve habitat connectivity throughout the state.
- Providing meaningful outdoor experiences. We believe the places you know are the places you care about.
- Helping citizens make their voices heard in decisions about our public lands.

We are a small and growing organization with strong grassroots support. Our board is active and engaged in making Wild Virginia stronger and more effective every day. If this sounds like the place for you, we hope you'll join us!
