## **Will Overman Band Plays “No Pipeline!” Benefit Concert for Wild Virginia**

**CHARLOTTESVILLE, VA**—Wild Virginia is working hard to keep pipelines from harming sensitive ecosystems in Virginia. To help raise funds for this effort Wild Virginia has teamed up with Will Overman Band and Starr Hill for an exciting concert.

### **Will Overman Band “No Pipeline!” Benefit Concert September 16<sup>th</sup> Starr Hill Brewery 7-9pm**

Soulful and unforgettable. Addictive and sometimes playful. Meaningful and real. Those factors, plus a transcendent passion and unyielding commitment to craft, are what truly define this rising, must-see group of talented young musicians.

“...WOB’s debut album is a strong start to what promises to be a long, successful musical journey.” – [Huffington Post](#)

“A unique, trademark voice, Will's is one you recognize and gravitate to.” – [No Depression](#)

There is a \$10 Suggested Donation at the door, but no one will be turned away.

This event is part of Wild Virginia’s partnership with Starr Hill Brewery’s “Cheers for Charity” fundraiser in September. Throughout the month, one dollar for every pint of beer sold in the Starr Hill Brewery Tap Room will be donated to Wild Virginia’s work to protect Virginia’s national forests and stop the Atlantic Coast and Mountain Valley Pipelines.

*Cheers for Charity* will feature a month-long series of events at Starr Hill Brewery in September including a trivia night, a book signing and reading and an exciting live auction. This is a great chance for our membership, the public, our sponsors and Starr Hill patrons to come out, mingle and support a great cause.

The Starr Hill Brewery Tap Room is located at 5391 Three Notch’d Road in Crozet, VA. Go to [www.StarrHill.com/Tap-Room](http://www.StarrHill.com/Tap-Room) for hours and more information.
